Notification of a claim will result in our investigating the facts and circumstances surrounding the installation of the product on your home. Misrepresentations of facts, fraud or other deceit will immediately void this warranty.

CARE AND MAINTENANCE

Smart Screen™ is one of the most simple and cost effective gutter protection systems on the market today and performs under most instances without the aid of cleaning. Normal debris is lifted away by a gentle breeze. In some instances, sheltered areas, etc., where air cannot lift debris, we recommend that you regularly clear these areas to keep Smart Screen™ working properly.
